

INDUSTRIAL BOILERS LTD.

Date: 20th June 2018

Letter of Recommendation

This is the Letter of Recommendation for Neo Paints. The Company has been supplying industrial paints to us for the last 15 years. We were looking for company who can provide us both quality products and timely services ensuring a beautiful finish ensuring that our Boilers and its components, Stand Out and look Elegant.

The price of Neo Paints is also very economical as compared to other major brands of the paint industry. The Services provided by them is commendable.

On a Personal Note, Dealing with Neo Paints and their hard working staff has been a pleasure. I have every confidence that they will maintain the consistency in the quality and good services, as they been for the last 15 years and for more 15 years to come.

Thanking You,

Zaraan Engineer
Industrial Boilers Ltd.
